Re: State v. Kevin Boone, I.D. No. 1305018893

Dear Mr. Boone:

On August 15, 2019, you filed a Motion to "File Charges on Probation Officer Leo Matkins." The Court cannot order the filing of charges as you request. Your caption also reads that you are a "Movant" against the State of Delaware as "respondent." This suggests you seek civil remedies yet the claims are unclear and you fail to state a claim for relief under Superior Court Civil Rule 12(b)(6).

Your motion is **DENIED**.
